1 Measuring

- The Healy Watch measures your bioenergetic status by analyzing BRA (Bioenergetic Rhythm Analysis), HRV (Heart Rate Variability) and sleep parameters. Quickly and easily.

2 Analyzing

- The Healy Watch Connector module* can analyze that measurement data to find the frequencies that help you relax, reduce stress and support your fitness goals.

3 Determine Frequency Programs

- These analyses result in selecting the most appropriate Healy IMF programs to support harmonization of your Bioenergetic Field.
- Apply these frequency programs through your Healy.
- Using the Healy Watch, you can monitor the status of your Bioenergetic Field.
- Find new IMF programs for the next application.

The Connector Module

The **Healy Watch Connector*** module recommends Healy IMF programs to support harmonization of your Bioenergetic Field!

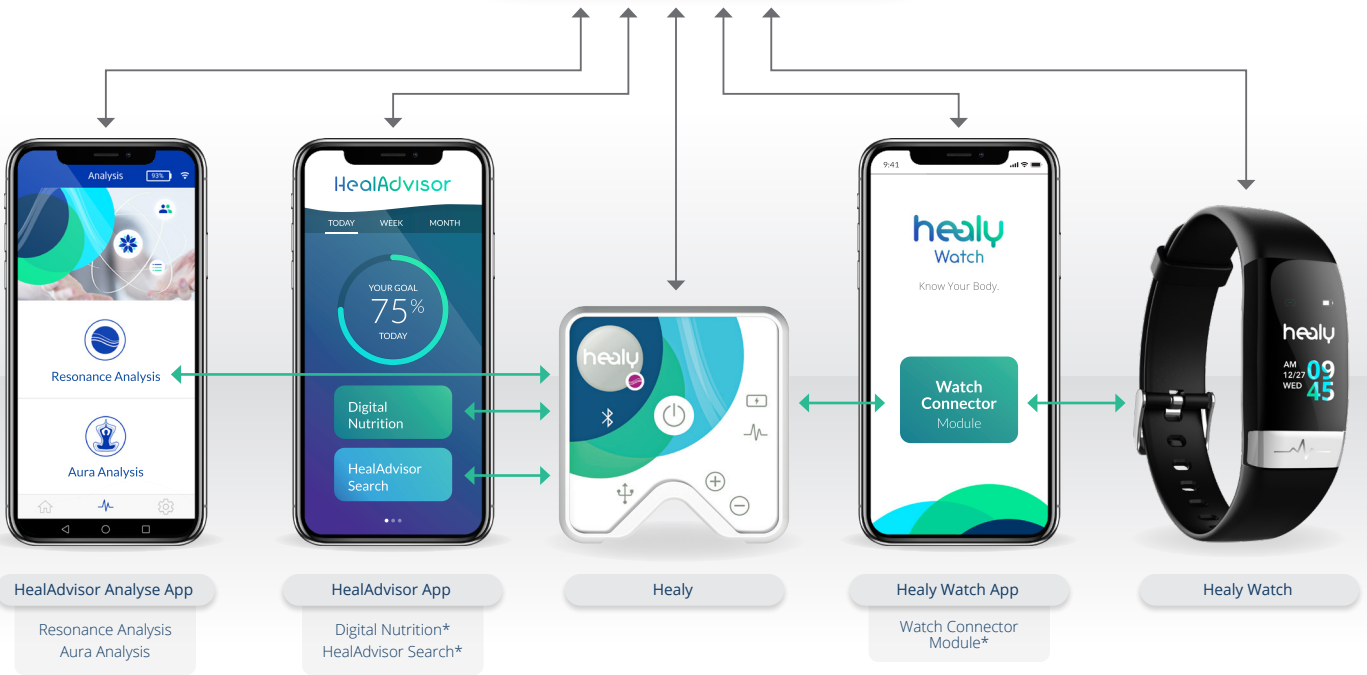

It provides you with a comprehensive 7 day application plan to support harmonization of your body's Bioenergetic Field every day.
